Requirements for Digital Television Receiving)	ET Docket No. 07-61
Capability)	
)	

ORDER

Adopted: December 14, 2007

Released: December 14, 2007

By the Chief, Office of Engineering and Technology:

1. On January 26, 2007, Kohler Co. (Kohler) submitted a letter requesting a temporary waiver of the March 1, 2007 deadline for compliance with the requirement in Part 15 of the Commission's rules that new broadcast television receivers include the capability to receive digital television signals (the DTV tuner requirement).¹ Kohler had asked that this waiver be effective until January 1, 2008. The Commission requested comment on this request in a Public Notice released March 30, 2007, DA 07-1560.

2. On May 3, 2007, Kohler submitted a letter requesting that its request for temporary waiver of the DTV tuner requirement be withdrawn. In this letter, Kohler states that it is no longer interested in seeking a waiver of that rule.

3. Accordingly, IT IS ORDERED that, pursuant to the authority contained in Section 0.241 of the Commission's rules, 47 C.F.R. § 0.241, the request to withdraw submitted by Kohler, Co. IS GRANTED and the request for waiver of Section 15.117(i) of the rules submitted by Kohler Co. on January 26, 2007 IS DISMISSED.

FEDERAL COMMUNICATIONS COMMISSION

Julius P. Knapp
Chief, Office of Engineering and Technology
